Arthur E. Thompson

NOTES FROM THE SELECTMEN

The Selectmen are pleased to report that the Sutton Road Bridge has been completed except for the cables on the posts and a general clean-up in the area. The early arrival of snow did not permit these things to be done at that time. It was an excellent job of construction by our Road Agent, Henry Patten. We are extremely fortunate to have a Road Agent of his outstanding ability. Many towns are forced to contract out projects of this magnitude. We are confident that our bridge problems in this location are solved for many years to come.

As usual, the financial management of the town is the primary concern of the Selectmen. There are several new elements in this area which should interest you.

Of special interest to veterans is the new Veteran Exemption law passed by the Legislature in 1967. For many years, a \$1,000 exemption on property value was granted to veterans who did not have over a \$10,000 equity in their property. The monetary value of this exemption depended upon the tax rate each year. The new law grants a \$50.00 exemption on the tax bill of veterans regardless of their equity in property. At our present tax rate this would amount to an exemption for our veterans of \$2,275.00 on property value. In 1967, 26 veterans were eligible and applied for an exemption. It is estimated that 37-40 veterans will be eligible under the new law. This will result in a loss this year of residential valuation anywhere from \$84,000 to \$91,000. This amount will, unfortunately, offset to a large degree our expected increase in valuation resulting from new construction.

Discussions on town fiscal affairs, like discussions on family budgets, tend to center around expenses. When all possible economies are made, there is only one avenue of help — increased income in the case of families and increased revenues from sources other than taxation in the case of a town.

The two largest items of income outside of property tax

revenue are the Interest and Dividends Tax and the Motor Vehicle Registration Tax. The Interest and Dividends Tax is derived from the state-collected assessment of $4\frac{1}{4}\%$ on interest and dividends accruing to residents of Wilmot. This is the so-called "Unearned Income" tax. Over the last eight years it has averaged about \$2,320 per year. The Motor Vehicle Registration revenue has risen steadily from \$2,700 in 1960 to \$4,484 in 1967. The actual number of registrations per year has increased from 338 to over 430 over the same period of time. Neither of these revenues seem likely in the future to offset increasing costs of town and school operations. It should be noted, also, that both these revenues are derived from the citizens of Wilmot.

A new source of revenue which will become available this year is the "Rooms and Meals" tax. It is estimated that we will receive about \$1.50 per capita this year. This should amount to about \$675 based on the state formula for determining our last year's population.

It seems, therefore, that barring the adoption of a broad based tax by the Legislature, we should think seriously of other avenues for additional income. One excellent way would be for us to enjoy a healthy yearly growth of taxable property in Wilmot. Our growth in population is dependent on many outside factors — new highways in the area, increased job opportunities, trends toward country living and recreational homes, etc. What financial help this increase in population would be to us is dependent upon the quality as well as the amount of housing involved. This is one of the reasons why our Planning Board could be so important to us.

The Warrant

We have quite a full agenda for our Town Meeting this year. Following is background information on some of the subjects up for discussion.

ARTICLE 13.

In the Comparative Statement on page 17 you will note that work on the Sutton Road Bridge project ended the fiscal

year with an unexpended balance of \$1,347.22. Cost of the completion of the bridge this spring should not exceed \$347.22. The Selectmen are suggesting that the remainder, amounting to \$1,000, be returned to the Capital Reserve Fund for Bridges. This fund was depleted last spring to build the Sutton Road bridge. Since we have several other bridges which will need attention in the near future, it seems reasonable to rebuild this fund as quickly as possible. Since our annual contribution to this fund is only \$500 it will be some time at best before we have accumulated enough to consider further construction.

ARTICLE 14.

This article may seem a bit redundant since the town meeting in 1967 voted a like article relative to the sale of the Harriott property. Legally, however, it is necessary since the property has not been sold before this meeting. The quieting of the title and awarding of a court decree to this effect was not concluded until this January. It is felt that late spring or early summer will be the most favorable time to obtain a maximum selling price.

ARTICLE 15.

For several years the need for a town garage has been very obvious but the financial situation has been such that the Selectmen have been loath to suggest it despite the great need. The sale of the Harriott property seems to provide us with the opportunity to fill this need without appropriating monies from taxes. The present town sheds are totally inadequate as shelter for our truck and grader. The grader will not even fit into the larger of the two structures without removing attachments. When it is in the garage without the attachments, there is no room to move around it. Repairs, even in the dead of winter, have had to be made outside. The Selectmen will present plans for such a garage at the Town Meeting.

ARTICLE 16.

For years the Town has plowed private driveways for a yearly fee of \$10.00. It is actually illegal since it is a de-

cision of the New Hampshire Supreme Court that "private services are only lawful if the prices charged are sufficient to cover the cost of the service so that no public funds are used on private property and then only if the acts are subordinate to town needs." With the unpredictability of winter storms in number and intensity plus the factor that all driveways vary in length and ease of plowing, a flat sum charge does not compensate fairly for the cost of this service. At best our Road Agent, with only two pieces of equipment and with trained assistance at a minimum, is hard pressed to plow all our miles of roads and sand if necessary and still plow private driveways within a time spread which would satisfy the user of the service. In 1960 only 13 driveways were involved. It is now over double that number. If the town meeting body decides to continue the service, rates should be such that the town is not performing the service at a loss and the persons subscribing should be well aware of the time factor involved.

ARTICLE 17.

Our Austin-Western grader, purchased second-hand in 1959, has performed fine service for Wilmot but it is now at least twenty years old and becoming more and more of a maintenance and repair problem. Parts for this old grader are not only increasingly difficult to procure but are excessively expensive. A major breakdown would not be unexpected. The Selectmen suggest that you consider the purchase of a grader of the same general type in the 8-10 year age bracket. The article asks for a withdrawal of an amount not to exceed \$8,000 from the Capital Reserve Highway Equipment fund. It might be less but the maximum amount allows some latitude for shopping for the best buy which can be made.

ARTICLE 18.

The Planning Board, originated by a vote of the Town Meeting in 1967, has been working the past year on a proposed Planning Ordinance which is attached to this Town Report — and upon which you will be asked to vote on the

official ballot. Lack of local development controls is an open invitation to disaster as many towns have discovered after it was too late. With the demand for residential and recreational homes soaring, it is important that we guide our future. We need to ensure ourselves the type of growth that will make the best use of the land, preserve the character of our town and the values of our property, and encourage new property owners to set as high a standard as possible.

Since no planning ordinance is retroactive, none of these regulations affect present construction and land use, but are aimed at minimal control in the future.

In connection with this ordinance, no reference is made to sewage disposal. On all new construction and replacements of sewage systems, Chapter 147 of the Laws of N. H. now pertain. It is mandatory that a detailed plan of construction is submitted to the Pollution Control Commission and receive their approval of the plan before construction begins.

In Memorium

It is with great regret that we have lost two former town officials this past year.

George Wrest died at the age of 87 after many years of residence in Wilmot and having served as a Selectman for two terms and as Overseer of the Poor also.

John K. Stearns died at age 94. It is almost inconceivable that anyone could amass such a record of public service! He served in one capacity or another for a span of 50 years without once missing a town meeting. His longest services were as School Clerk (37 years), Selectman (21 years), Trustee of Trust Funds (17 years), Town History Committee (25 years), Ballot Clerk (15 years), and Town Moderator (8 years). He was a member of the school board for two terms and served as Overseer of the Poor for two years and several years as the Town Health Officer. In 1918 and 1932 he was Wilmot's Representative to the General Court. We will greatly miss his presence among us.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Wilmot in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Wilmot on Tuesday, the Twelfth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects: (You are also notified that the polls will close at 6 P.M. unless a later time is voted by the Town Meeting body)

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to negotiate the extension or renewal of the notes securing such loans when it is necessary.
4. To see how much money the Town will raise and appropriate for the maintenance of town highways.
5. To see if the Town will vote to raise and appropriate \$895.90 — the State to contribute \$5,972.64 — for Town Road Aid.
6. To see if the Town will vote to raise and appropriate any money for Memorial Day observance.
7. (Requested) To see if the Town will vote to raise and appropriate the sum of \$100.00 for Old Home Day observance.

8. (Requested) To see if the Town will vote to raise and appropriate any money for the New London Hospital.
9. (Requested) To see if the Town will vote to raise and appropriate the sum of \$30.40 for the control of White Pine Blister Rust.
10. (Requested) To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Lake Sunapee Board of Trade.
11. To see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed to be surplus to the Town needs; the sale of highway material or equipment to be made with the approval of the Road Agent.
12. (Requested) To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the Wilmot Volunteer Fire Company, Inc.
13. To see if the Town will appropriate from unencumbered surplus the sum of \$1,349.22 which is the balance of funds in the Sutton Road Bridge account and dispose of it as follows: \$1,000.00 returned to the Capital Reserve Fund for Bridges and \$349.22 to complete the Bridge project.
14. To see if the Town will authorize the Selectmen to sell, by private sale or public auction, the property taken by Tax Title from the heirs of Alice M. Harriott and upon which a clear and unencumbered title was awarded to the Town of Wilmot by Superior Court decree on January 18, 1968.
15. To see if the Town will appropriate to a limit of \$10,000 such monies as may be realized from the sale of the Harriott property and to authorize the Selectmen in conjunction with the Road Agent to obtain suitable land and erect thereon a Town Highway Garage and

further, to place remaining monies in the General Fund of Wilmot.

16. To see if the Town will vote to authorize the Selectmen to set annually a minimum and hourly rate of compensation for the snow-plowing of private driveways based upon the costs to the Town of such services.
17. To see if the Town will vote to withdraw and appropriate from the Capital Reserve Highway Equipment Fund a sum not to exceed \$8,000.00 to be used in conjunction with the trade-in value of our present grader toward the purchase of another grader and to authorize the Selectmen, with the advice of the Road Agent, to select and purchase said grader.
18. To vote on the question "Shall the Planning Ordinance as proposed by the Wilmot Planning Board be adopted for this Town?"
19. To vote on the question "Shall the Town hold the business meeting of the Town Warrant in the evening in future years?"
20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and sixty-eight.

DONNA I. NILES
RALPH G. WEED
JOHN H. MORSE
Selectmen of Wilmot.

A true copy of Warrant — Attest:

DONNA I. NILES
RALPH G. WEED
JOHN H. MORSE
Selectmen of Wilmot.

RALPH G. WEED,
JOHN H. MORSE,

Selectmen of Wilmot

REPORT OF THE LIBRARY TRUSTEES

To the Townspeople of Wilmot:

During the year, Mrs. Doris Langley resigned as Librarian of the Center Library, and we were fortunate to find Mrs. Edith Locklin to take her place. Mrs. Locklin has completed a ten week course in Library Science at Plymouth.

The insulation of the Center Library has made a big difference in the heating there.

Library news will now be found in the Franklin Journal Transcript, to acquaint adults of the new books added.

Wilmot libraries have been represented at the regional book selection meetings, and at the annual meetings of the State Library Trustees and the State Library Association.

Very gratifying to the trustees is the increasing use of the libraries by the school children. The library habit will be of great help to them in their future studies. The teachers, Miss H. Terry and Mrs. Cobden are to be highly commended. They and the librarians have cooperated to make this an important educational project. Mrs. Judy Rayno has also found helpful material for use with the pre-school children.

Three film programs have been held. They were started primarily for the school children, but all townspeople are invited to enjoy them. Our thanks to Mr. Orville Robertson for his help with the projector. An interesting film program was also given for the Community Pairs and Spares with an appropriate book display. These films are available through the Library Trustees to any adults wanting to use them.

A successful food sale was held, and we plan to make this an annual affair.

We wish to thank the Grange for their generous gift

of money for our card cabinet, and to the Wilmot Community Center for the continued use of the space in the Hall.

The food sale and the gift from the Grange were both needed for operation of the Dewey Decimal system and the making of the catalog, as recommended by the Statewide Development Program, of which we are a member. This project is now being processed so that a duplication in buying may be avoided and books may be easily located.

We are benefiting from the State Centralized Book Purchasing, and the circulation of both juvenile and adult books has increased. Request for books needed can be met quite promptly. We hope adults as well as young people will use their libraries more. An evening opening would be considered if there were a demand for it.

In the town report you will see that we are asking for more money. This is needed to raise the salaries of the librarians, and also for increased running expenses.

Respectfully submitted,

Forrest E. Richards
Judith S. Walker
Edith L. Payson

FINANCIAL REPORT OF THE WILMOT TOWN LIBRARY

PLANNING ORDINANCE
of the
Town of Wilmot, New Hampshire

ARTICLE I

Preamble

Section I: Authority. This Ordinance has been prepared in accordance with the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated, (1966) as amended.

Section II: Purpose. The purpose of this Ordinance is to promote the health, safety, and general welfare of the community; to encourage the most appropriate use of land throughout the municipality and to help conserve the value of property.

ARTICLE II

Establishment of Districts

Section I: Districts shall be as shown on Town map.

District A shall comprise the whole Town except District B and C.

District B shall comprise the villages.

District C (recreational zone) shall comprise all areas within 1,000 feet of any water body which exceeds 10 acres, excluding those areas within the village district.

ARTICLE III

General Regulations, All Districts

Section I: No building or structure shall be erected, or moved to a new location, and no existing structure shall be altered to an extent affecting more than 10% of the total area of the original building or outside structure without first obtaining a permit duly granted by the Selectmen or their appointee, to whom information and plans of the proposed building structure or alterations shall be submitted.

Section II: It shall be the duty of the administrative authority to grant or refuse a permit within 30 days after receipt of application. The applicant may be called in for consultation by the Selectmen or their appointee, within the thirty-day period, for the purpose of gaining further information or making suggestions.

Section III: Before a permit shall be issued, it shall be first determined, by the Selectmen or their appointee, whether the proposed construction conforms to all the conditions of this Ordinance, and the permit shall be issued only when such conformity is assured.

Section IV: The applicant for a building permit shall pay a fee for the issuance based on the full value of the project involved. Said fee to be retained by the Planning Board to help defray expenses. Fees shall be in the following amounts: \$1,000 to \$10,000 — \$2.00; over \$10,000 — \$5.00.

The administrative authority may eliminate the fee if, in their opinion, the size of the project does not warrant such payment. If a conflict occurs regarding the value of the project, the value determined by the assessors shall be final.

Section V: It shall be the responsibility of the applicant and builder, whose name shall appear on the permit, to adhere to all submitted plans and information for which the permit was granted.

Section VI: No owner or occupant of any land shall permit any ruins caused by fire, explosion, flood, storm, or other Act of God, to be left unfinished or incomplete thereon, but shall finish or complete or remove the same within 12 months of date of occurrence except when there is property in court litigation it will tak place within one year after settlement of such court action.

Section VII: No land shall be used for a motor vehicle junk yard, or used for a dump, or for the storage of abandoned vehicles or discarded materials of any kind, in a manner that is disorderly, unsightly, noxious, or detrimental to the public or prejudicial to the general welfare. The selection of a public dumping place, maintained or designated by the Board of Selectmen, shall not be affected by this regulation.

Gravel Pits: No new gravel pit or bank shall be opened within the Town without first obtaining a permit from the Selectmen and approval of the location by the Planning Board. Abandoned or unused gravel pits shall be graded or camouflaged from view of the traveling public. Gravel pits located nearer than 100 feet of a public way shall be maintained in acceptable landscaped condition; this to include entrance roads to gravel

such roadway and other areas for common use as will eventually be acceptable to the Town for maintenance by the Town, and to approve the same when satisfied that such proposed plans are in harmony with and conducive to the general welfare of the Town and the neighborhood, and not detrimental to existing property values; but in no sense shall this be deemed an acceptance by the Town of the street or streets.

ARTICLE VIII

Board of Adjustment

Section I: In accordance with New Hampshire Revised Statutes Annotated, 1955 Chapter 31:66-89, as amended, the Board of Selectmen shall provide for appointment of the Board of Adjustment. (The Board of Adjustment shall consist of five members whose appointment and duties shall be in accordance with the applicable section in the New Hampshire Revised Statutes Annotated, Chapter 31:66-89, as amended.) It shall be the duty of the Board of Adjustment, in appropriate cases, and subject to appropriate conditions and safeguards, to make special exceptions to the terms of the Ordinance in harmony with its general purpose and intent and in accordance with general or specific rules therein contained.

Section II: The Board of Adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement thereof or of any Ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the Ordinance upon which such Board is required to pass under such Ordinance.

3. To authorize, upon appeal in specific cases, such variance from the terms of the Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the Ordinance will result in unnecessary hardship, and so that the spirit of the Ordinance shall be observed and substantial justice done.

4. In exercising the above-mentioned powers such Board may, in conformity with the provisions thereof, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from, and may make such order or decision as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

5. The concurring vote of three members of the Board shall be necessary to reverse any action of such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such Ordinance, or to effect any variation in such Ordinance.

ARTICLE IX

Enforcement and Penalty

Section I: Upon any well-founded information that this Ordinance is being violated, the Selectmen shall take immediate steps to enforce the provisions of this Ordinance.

Section II: Whoever violates any of the provisions of this Ordinance shall be punished, upon conviction, by a fine not to exceed \$10.00 for each day of violation.

ARTICLE X

Amendments

Section I: The provisions of this Ordinance may be amended or changed at any regular or special Town Meeting by a majority of the voters present as provided by Public Laws.

ARTICLE XI

Effective

Section I: This Ordinance shall take effect upon its passage.

MAURICE W. LANGLEY,
Treasurer of Trust Funds.

REPORT OF TOWN HISTORY COMMITTEE

The Wilmot Town History Committee records progress in its accumulation of vital information regarding the history of our Town, its people, its institutions and all that pertains to the family and community life of the past.

We regret the passing of our senior committee member and oldest citizen, Mr. John K. Stearns, who had spent most of his 94 years in Wilmot and had rendered valuable service both to our committee and the Town. We hereby express appreciation and honor the memory of this conscientious townsman.

The membership of the committee has been enlarged by the addition of two new members: Walter W. Walker and Mrs. Lida H. Gross, both of whom are already active in collecting historical data. Also, we recognize others who have been of great assistance during the year, notably Miss Octavia J. Stearns of Wilmot and Tharon R. Tewksbury of Lafayette, Indiana.

It is expected that in the near future our historical projects will claim the cooperation of many former and present citizens who will unite in helping to bring to fruition a major desire of your committee, that of an organized WILMOT HISTORICAL SOCIETY.

The Committee:

Edith M. G. Campbell, chairman	Casper L. LeVarn
Walter W. Walker, treasurer	Lida H. Gross

Financial Statement

Referring to the Town Report of 1957, 225 copies of the "Early History of Wilmot, New Hampshire" by Casper L. LeVarn were printed for \$1,000.00. The amount was raised as follows:

From the treasury of the Town History Committee	\$ 975.00
Advanced by Mr. LeVarn	25.00

Total	\$1,000.00
--------------	-------------------

After assistants were reimbursed, 212 books were offered for sale. The price: \$4.75 per copy or \$5.00 if mailed.

To date 150 books have been sold and 4 are on order, leaving only 58 on the market.

Anyone wishing to obtain a copy may apply to the Town Clerk or Mr. Walter W. Walker.

The accrued income from sales has been invested as follows:

To the Town Trust Funds, Dec. 29, 1959	\$450.00	
Previous Balance in Trust Funds	71.71	
Interest to date	208.38	
		<hr/>
		\$ 730.09
Deposits in New Hampshire Savings Bank	\$ 262.50	
Interest to date	59.97	
		<hr/>
		322.47
Total Assets		\$1,052.56

Therefore the amount invested in the Town History Book has been replaced, with a balance of \$77.56.

EDITH M. G. CAMPBELL,
Treasurer for 1967

WILMOT VOLUNTEER FIRE COMPANY, INC.

To the Townspeople of Wilmot:

This is the financial report of the Wilmot Volunteer Fire Co., Inc., for the year 1967, including all monies raised by the Fire Company and the appropriation of the Town of Wilmot.

During 1967, the Fire Company secured a loan from the Franklin National Bank of Franklin, N. H., in the amount of \$4,000. After the Building Committee received bids from building contractors, the Fire Company voted to start work on the new Fire Station addition. The building was erected and completed on the outside before the winter weather set in. This coming spring the inside of the building will be completed, after which we hope to receive a new fire truck from the N. H. State Forestry Department. We also are planning to pipe running water into the Fire Station.

We have appointed a committee of members of the Fire Company to see if we can get a clear title to the land upon which the original Fire Station stands.

At this time the members of the Wilmot Volunteer Fire Company, Inc., wish to thank the selectmen and the townspeople for the cooperation and assistance given to us during the past year.

STANLEY RAYNO, Chief

JOHN E. McFADDEN, Treasurer

Wilmot Volunteer Fire Co., Inc.

AUDITOR'S REPORT

Town of Wilmot, New Hampshire
For the Year Ending December 31, 1967

This is to certify that I have examined the accounts of the Selectmen, Town Tax Collector, Town Treasurer, Town Clerk, Overseer of Public Welfare, Trustees of the Trust Funds, and the Trustees of the Library of the Town of Wilmot and found them to be correct.

JOHN E. McFADDEN,
Auditor, Town of Wilmot

Wilmot, N. H.
January 15, 1968

**REPORT OF FOREST FIRE WARDEN
AND DISTRICT CHIEF**

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

Number of Fires and Acres Burned in 1967

	Fires	Acres
State	408	520
District	23	15
Town	3	1½

Eighty-three burning permits were issued in 1967.

GERALD GROSS, District Chief

ARTHUR E. THOMPSON, Warden

REPORT OF THE POLICE DEPARTMENT

During 1967 forty-six complaints were received by the Wilmot Police Department in the following areas:

Miscellaneous	15	Stop Sign Violations	5
Dogs	7	Overloaded Vehicle	2
Speeding	12	Break-ins	4
Trespassing	2		

In the same period of time twenty-one calls for assistance were received for the following reasons:

Attempted Break-in	1	Auto Accidents	2
Natural Deaths	2	Auctions	2
Dances	1	Theft	2
Break-ins	7		
Requests to check unoccupied residences			4

A total of 518 miles was driven in the process of answering calls for assistance, checking and processing complaints and patrolling the town roads and state highways within the Town limits. Eight persons were stopped for stop-sign violations, eleven stopped and written up for defective vehicle equipment, and seventeen stopped for excessive speeding.

It should be noted that there have been and still are many dogs running loose in Town. In several cases, the dogs nearly caused serious auto accidents. It is requested that dog owners attempt to keep their dogs off the roads and highways. Your cooperation in this matter would be gratefully appreciated.

KEITH G. FLEURY,

Chief of Police
